

Day 1 - Tuesday, 9 SEP 2014

Subspecialty	Hall	8:30	8:45	9:00	9:15	9:30	9:45	10:00	10:15	10:30	10:45	11:00	11:15	11:30	11:45	12:00	12:15	12:30	12:45	13:00	13:15	13:30	13:45	14:00	14:15	14:30	14:45	15:00	15:15	15:30	15:45	16:00	16:15	16:30	16:45	17:00	17:15	17:30	17:45	18:00	18:15	18:30				
Neurology	Sheikh Rashid A	Registration	International Joint Sessions (ASNR)											Scientific Session											Foundation/Basics in Radiology																					
Head & Neck	Sheikh Maktoum C		Refresher Courses											Scientific Session											Foundation/Basics in Radiology																					
Musculoskeletal	Sheikh Maktoum D		ISR Categorical Courses											Scientific Session											Foundation/Basics in Radiology																					
Cardiothoracic 1	Dubai C		ISR Categorical Courses											International Joint Sessions (ISR meets ESR/ESCR)											Foundation/Basics in Radiology																					
Cardiothoracic 2 & Non-Interpretative	Dubai D		Refresher Courses Thermal Ablation of the Lung Lesions											Refresher Courses Cardiac Imaging											International Joint Sessions (ESCR)																					
Abdomen & GIT	Sheikh Maktoum B		Refresher Courses											Scientific Session											International Joint Sessions (SFR)																					
UT & Male	Sheikh Maktoum A		Refresher Course											Scientific Session											Foundation/Basics in Radiology																					
Women	Umm Al-Quwain		ISR Categorical Course											International Joint Sessions (IBUS & SIS)											Foundation/Basics in Radiology																					
Intervention	Ras Al-Khaimah		Refresher Courses											Scientific Session											Foundation/Basics in Radiology																					
Oncology	Dubai A+B		ISR Categorical Course											Scientific Session											Foundation/Basics in Radiology																					
Pediatric	Sheikh Rashid B		Foundation/Basics in Radiology											Scientific Session											ISR Categorical Courses																					
Emergency	Abu Dhabi A		Refresher Courses											Scientific Session											Foundation/Basics in Radiology																					
Technology & Basics for Radiographers & Radiologists	Dubai EnF		Technology Quality Management											Advanced CT and MRI											Miscellaneous																					
														Opening Ceremony											Special Focus Session Diffusion Weighted Imaging in Abdominal Cancer											Key Radiology Issues in Africa										

Day 2 - Wednesday, 10 SEP 2014

Subspecialty	Hall	8:30	8:45	9:00	9:15	9:30	9:45	10:00	10:15	10:30	10:45	11:00	11:15	11:30	11:45	12:00	12:15	12:30	12:45	13:00	13:15	13:30	13:45	14:00	14:15	14:30	14:45	15:00	15:15	15:30	15:45	16:00	16:15	16:30	16:45	17:00	17:15	17:30	17:45	18:00	18:15	18:30				
Neurology	Sheikh Rashid A	Refresher Courses						Scientific Session								Case Base													ICR meets Clinicians																	
Head & Neck	Sheikh Maktoum C	Refresher Courses						Scientific Session								International Joint Sessions (CSR)													ICR meets Clinicians																	
Musculoskeletal	Sheikh Maktoum D	ISR Categorical Course						Scientific Session								International Joint Sessions (ACR)													ICR meets Clinicians																	
Cardiothoracic 1	Dubai C	ISR Categorical Course						International Joint Sessions (KSR)								International Joint Sessions (HKCR)													ICR meets Clinicians																	
Cardiothoracic 2 & Non-Interpretative	Dubai D	TB In Focus						TB In Focus (IRIA)								TB In Focus												Toshiba Ultrasound Lead Innovations																		
Abdomen & GIT	Sheikh Maktoum B	Refresher Courses						Scientific Session								International Joint Sessions (ESGAR)													ICR meets Clinicians																	
UT & Male	Sheikh Maktoum A	Refresher Courses						Scientific Session								Case Base													ICR meets Clinicians																	
Women	Umm Al-Quwain	ISR Categorical Course						Scientific Session								Hands-on Workshop													ICR meets Clinicians																	
Intervention	Ras Al-Khaimah	International Joint Session (Sociedad Argentina de Radiología)						Scientific Session								Case Base													ICR meets Clinicians																	
Oncology	Dubai A+B	ISR Categorical Course						Scientific Session								Case Base /hands-on workshop													ICR meets Clinicians																	
Pediatric	Sheikh Rashid B	ISR Categorical Course						Scientific Session								Case Base													ICR meets Clinicians																	
Emergency	Abu Dhabi A	Refresher Courses						Scientific Session								Case Base													ICR meets Clinicians																	
Technology & Basics for Radiographers & Radiologists	Dubai E+F	Conventional and Interventional Imaging						Advanced CT and MRI								Technology Updates													Physics Basics																	

Beclere Medal Ceremony & Beclere Lecture
 Shores for International Radiology Education: The European Experience

Film Reading - Advanced

ISR Categorical Course

Subspecialty	Hall	8:30	8:45	9:00	9:15	9:30	9:45	10:00	10:15	10:30	10:45	11:00	11:15	11:30	11:45	12:00	12:15	12:30	12:45	13:00	13:15	13:30	13:45	14:00	14:15	14:30	14:45	15:00	15:15	15:30	15:45	16:00	16:15	16:30	16:45	17:00	17:15	17:30	17:45	18:00	18:15	18:30						
Neurology	Sheikh Rashid A	Refresher Courses																																														
Head & Neck	Sharjah D	Refresher Courses																																														
Musculoskeletal	Fujairah A	ISR Categorical Course																																														
Cardiothoracic 1	Dubai C	ISR Categorical Course																																														
Cardiothoracic 2 & Non-Interpretative	Dubai D	Scientific Session (Chest)																																														
Abdomen & GIT	Sharjah A	Refresher Courses																																														
LT & Male	Fujairah B	Refresher Courses																																														
Women	Umm Al-Quwain	ISR Categorical Course																																														
Intervention	Ras Al-Khaimah	Refresher Courses																																														
Oncology	Dubai A+B	ISR Categorical Course																																														
Pediatric	Fujairah C	ISR Categorical Course																																														
Emergency	Abu Dhabi A	Refresher Courses																																														
Technology & Basics for Radiographers & Radiologists	Dubai E+F	Contrast Media
